What parents like most about Project Scientist Academy...

"The learning activities and the exposure to a variety of careers has really been eye opening for my daughter. She now knows that she has options of careers that she can explore."

"Trend-changing, revolutionary focus on placing young women on a path to traditionally male-focused disciplines. Way to go!"

"I really like the fact that my daughter's critical thinking skills are developing in a faster, more focused manner. She is using what she learns here in other situations outside of Project Scientist."

"the positive manner in which these topics are approached. The learning is fun! Even if my daughter never pursues a STEM field or career, this exposure is awesome."

"My daughter has been glowing all week. This is a week where she is in her element. This has been an experience of a lifetime that I am beyond delighted to give her. Thank you, thank you! An amazing camp!"
